

MOVE PEOPLE

Common Ground v2.0

Presented by: Tompkins Spann

Common Ground v2.0

Volunteer Management

- Track jobs, shifts, qualifications, volunteer availability and more

Event Management

- Multiple event levels, invitation mail merge, check-in manager and expenses

Duplicate Management

- Merge two or more contacts and all related records

Additional features

- Track Major Gifts as Pledges
- Create Household Salutations with simple formulas
- Enhanced Pledge and Recurring Gifts
- Enhanced Batch Gift Entry

About Common Ground

More than just a donor database!

- A **CRM** solution with donor and relationship management features for nonprofits of any size
- Built on the Force.com platform from salesforce.com

Pricing

\$100 per month per staff user (for 1 to 10 users)

- Minimum of 2 users
- Support included
- On-demand training included
- All upgrades, all features included

• This means...

- **No** hardware to purchase;
- **No** setup fee;
- **No** nickel-and-dime add-on fees to add to your budget.
- Easy to budget – and with less risk in these financial times.

Migrations, data conversions, customizations and other implementation options are provided by Convio Solution Partners.

Visit www.convio.com/partners to find a CSP.

Demonstration

This will be a brief overview. For a personalized, detailed demo, please contact us:

commonground@convio.com
